***Reason for allowance***

1. This communication is in response to applicant's 01/13/2005 Amendment in the application of Dlugos et al. for a "Facsimile machine having multi-purpose data ports for signal routing and data management " filed 05/08/2001. This application is a CIP of 09/470,585 filed 12/22/1999 is now US Patent #6,584,113, and a CIP of 09/470,730 filed 12/22/1999 is now US#6,463,133. The proposed amendment to the claims and response have been entered and made of record. Claims 2, 12 have been cancelled per applicant's request, and claims 1, 3-6, 11, 13-17 and 28 have been amended. The claims have been amended to better point out and more distinctly claim subject matter comprising the invention.

2. The amended paragraphs in specification correct the status of related application. Therefore, examiner has withdrawn the Objections of record to the specification. The objection to the drawings has been withdrawn due to the corrected or substitute drawings received on 01/13/2005. These drawings are approved.

3. Claims 1, 3-11, 13-39 are allowable as evident by applicant's amendment (Claims are renumbered as 1-37 respectively).

4. The following is an examiner's statement of reasons for allowance: The instant application is deemed to be directed to a no obvious improvement over the prior art of record. The improvement comprises the feature wherein the facsimile machine receives a data transfer

via telephone line, from a service center, the data transfer intended for one of the plurality of equipment modules coupled to the facsimile machine. The controller determines the equipment modules that data transfer is intended for based on information included in the data transfer, and determines if the one of the plurality of equipment modules is available to receive the data transfer. The controller causes the input/output controller to route the data transfer to one of the plurality of equipment modules, as specifically recited in the claims..

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
